Candidate Questionnaire Notes:

Listed below are the questions the Primary Election Candidates were asked to respond to. Candidates were asked to respond Y (Yes), N (No), or U (Undecided): (NA = no answer provided by candidate)

- #1) I support an individual's/parent's right to make vaccine decisions for themselves and their children.
- #2) I believe individuals should not be forced to buy medical/health insurance and be free to purchase medical/health services and products, if any, they wish to use.
- #3) I would support independent basic scientific research on the link between vaccination and chronic disease.
(YP as an answer on #3 mean privately funded, not government funded, research)
